

Hello Parents,

We will be launching our WeFund4u fundraising efforts in the next couple weeks with Nick, our local **Adrenaline Fundraising Rep** and wanted to answer any questions you may have to gain participation. WeFund4u is a social donation campaign that has simplified the way teams and groups raise money. Students will not be selling a product with this fundraiser, staff do not have to manage cash, or keep/distribute inventory. Fundraising is vital for the success of our program and we truly need to raise funds as our program is in need. WeFund4u and Adrenaline Fundraising have a streamlined process that allows the players and team to help raise money for a successful season. There have been thousands of programs who have had success utilizing this fundraiser and with your help, our fundraiser will be to.

-All we ask is, is that each parent/guardian help their student gather 20 or more email addresses of their biggest supporters i.e. "Grandma, Grandpa, Aunts, Uncles, Family friends." Then, emails will be sent to these potential donors where they can view the groups fundraiser page and decide if they want to donate. If not, they can easily delete the email and carry on with their day. We are confident that there are many people eager to support your young, motivated, athlete and WeFund4u's platform affords them the opportunity to help if they choose.
